I am currently employed as a P.A, I live in Cwmbran, South Wales in the United Kingdom with my partner Mark and my daughter Cleo who was diagnosed with Glut1 Deficiency Syndrome in 2002 at the age of 7yrs.

I have been involved with the Glut1 Deficiency Foundation in a variety of roles, currently I am serving as volunteer European Outreach Director and providing information, resources, and support on Glut1 Deficiency and the Ketogenic Diet to European families and healthcare professionals. I am also one of the founding trustees of Glut1 Deficiency UK and currently serve as their first Chair.
